

Shepherd High School Visual Art Students are Recognized

Three Shepherd High School students have submitted their art work to various competitions and did very well. Mrs. Basham, High School Art teacher and Shepherd ISD are very proud of these students and their accomplishments.

Sophomore Jarrell Wyatt's car design was selected by the Shepherd Chamber of Commerce to be the official T-Shirt design for the Annual Classic Car Show.

Sophomore Jessica Gibbs was awarded a summer scholarship to attend classes at the Glassell School of Art in Houston. Jessica was given this scholarship by the Houston Livestock Show and Rodeo school arts program.

Senior Colton Bowen's photograph of the old San Jacinto County jail was selected by Governor Rick Perry as a part of the "Governor's Ten". The Governor and First Lady select 10 pieces of art from the Youth Art Month Capital Show to hang in the governor's business office for a year. Colton's photograph will be professionally matted and framed and will be part of a reception held in Austin.

Congratulations Jarrell, Jessica and Colton!
